We've been through some things together  
With trunks of memories still to come  
We found things to do in stormy weather  
Long may you run

Long may you run, long may you run  
Although these changes have come  
With your chrome heart shining in the sun  
Long may you run

Well, it was back in Blind River in 1962  
When I last saw you alive  
But we missed that shift on the long decline  
Long may you run

Long may you run, long may you run  
Although these changes have come  
With your chrome heart shining in the sun  
Long may you run

Maybe the Beach Boys have got you now  
With those waves singing, 'Caroline'  
(Oh, Caroline, no)  
Rollin' down that empty ocean road  
Gettin' to the surf on time

Long may you run, long may you run  
Although these changes have come  
With your chrome heart shining in the sun  
Long may you run
