Lookout mama  
It's comin to you  
I can't tell you  
What you gonna do  
Rock and roll crazies  
Get you right down  
Make you feel so tough  
Your feet leave the ground

Lookout mama don't you go too far>  
Don't you get hung up bein' no rock and roll star>  
chorus  
You find out it's easy to lose your way>  
Catch yourself practicin' bein' shallow every day yeah  
>

Don't wanna tell you  
How to run your scene  
I only can tell you  
What happened to me  
Keep you eyes open  
Keep a clear head  
The woman inside you  
Might wind up dead

Chorus

Girl I love you-oo-oooh  
Yes I was taken  
After it'd been a while  
Wondered was I mistaken

Only my foolish pride  
Sensibilities shakin'  
Picking up piece by piece  
You say I was shaken

Musica latina es cuban bluegrass

If I could thank you now

Feeling much smoother  
If I could just be here  
Make it much cooler

Dale su alma bien  
Por la descarga  
Nada importa pues  
En lo que hagas
