Can you see them runnin' their games on my mind  
See the wasted energy flyin' by  
Whispering shadows standin' somewhere close by  
Don't mean nothin' to me, I can't see your eyes

Somebody rollin' my stone  
How could you leave me alone  
Oh darlin', you're on your own  
Nobody rollin' my stone  
On down the road

And I know I've done the same sort of thing  
Hidin' inside myself, can't find my way out again  
And the world can get so twisted from Mary Jane  
Lookin' back it seems so ridiculously insane

Somebody rollin' my stone  
How could you leave me alone  
Oh darlin', you're on your own  
Nobody rollin' my stone  
On down the road

Somebody rollin' my stone  
How could you leave me alone  
Oh darlin', you're on your own  
Nobody rollin' my stone  
On down the road

So then what have I got to say to you  
Nobody's tryin' to tell you what to do  
Then they know when you think of something new  
Why are you sailin' with that fair weather crew

Somebody rollin' my stone  
How could you leave me alone  
Oh darlin', you're on your own  
Nobody rollin' my stone
