

Stephen Stills "What to Do"

Visit "[What to Do](#)" on MotoLyrics.com

Makin' it hard on each other
Makin' it hard on yourself
Makin' it hard on me
Makin' it hard on you, its all the same

I'm not the one to tell you what to do
I have no desire to run your life
Do your thing you know what to do
Just don't let nobody tell you no lies

Could we retire to a neutral corner
'Cause I'd like a chance to make myself clear
I said I'm still your friend I've got a few things to say
And I'd like to think that you might want to hear

I'm not the one to tell you what to do
I have no desire to run your life
Do your thing you know what to do
Just don't let nobody tell you no lies

I'm not the one to tell you what to do
I have no desire to run your life
Do your thing you know what to do
Just don't let nobody tell you no lies

Blind stubborn pride drove us apart
Can't you see the place we went wrong
You hide in your world and I'll get lost in mine
All we got left is a song

I'm not the one to tell you what to do
I have no desire to run your life
Do your thing you know what to do
Just don't let nobody tell you no lies

When you decide that you'd like to know
What it is that makes a person go
When you decide you believe and you're trustin'
Let somebody open your soul, oh yeah

I'm not the one to tell you what to do
I have no desire to run your life

Do your thing you know what to do
Just don't let nobody tell you no lies

I'm not the one to tell you what to do
I have no desire to run your life
Do your thing you know what to do
Just don't let nobody tell you no lies
