Look at what you're doing, uhu, ehe, ehe, ehe,
I don't know what it is but you got me switching up my
game-play
Can't say what it is but you got me and I'm not the
same man
Whole room full of bottles, bottles I ain't probably the
one
Cause if it isn't love it ain't fun
Every song on the radio makes me wanna message
you, message true
In the club I don't budge baby no, I just play it cool
Cause without you, that just ain't feelin it, that just ain't
feelin it
And if you ain't in here with me, baby I just ain't feelin it
And I ain't worried about spending money, ain't trying
to holler at anybody
I just ain't feelin it, I just ain't feelin it

It hot, all club going crazy, ladies dancing with their
hands up
This one looking at me sadly she don't got a chance
Cause you're flying and anything I've ever got my
hands on
â€¦ I just wanna get home
Every song on the radio makes me wanna message
you, message true
In the club I don't budge baby no, I just play it cool
Cause without you, that just ain't feelin it, that just ain't
feelin it
And if you ain't in here with me, baby I just ain't feelin it
And I ain't worried about spending money, ain't trying
to holler at anybody
I just ain't feelin it, I just ain't feelin it

God I wish I knew you'd walling cause it's so hard to
pretend
I'm not ever police â€¦ into it
Used to really want a while out and I just chill in the
background
Ain't cool, cause baby without you
I just ain't feelin it, I just ain't feelin it

You ain't in here with me, baby I just ain't feelin it,
And I ain't worried about spending money, ain't trying
to holler at anybody
I just ain't feelin it, I just ain't feelin it
I just ain't feelin it, I just ain't feelin it
You ain't in here with me, baby I just ain't feelin it,
And I ain't worried about spending money, ain't trying
to holler at anybody
I just ain't feelin it, I just ain't feelin it.
