Mat G:O my God,O my God

Steph:Will have to kill em

Mat L:Lets go

These are the results of fucking around steph

A neck with bolts"Nurse were losing him,we cant afford a death"

A kid who refused to respect his death

Wore spectacles with taped frames and a fuck'd up face

A corny looking white boy, scrawny and always horny
Cause he was always sick of meany bully's picking on he

And i might snap won day just like that

I decide to strick back and maby kick is ass with a big bat

(Whosssh) My first day of junior high i said

"I dont like that guy i would like to split is head"

I locked at him again i said "pussy"

"Hey you pussy dont give a look at me"

He said"Dont look at me,youl just make me call u pussy"

Something told me to kill the motherfucker

I thought"wow thats a good idea to kill her"

Steph: Lavigne,Lavigne I wanna kill her

Mat L:Whats the thing

Steph:I wanna kill her

Mat L:Who's the her

Steph:Mat Gaudette

Mat L:That aint a her that a he

Steph:Who cares hes a fucking fagette

Mat L:No hes to fucking pussy

Anger managment,ever since the day i was born

Psycho is what they used to say i was on
They say i never knew with way i was going
But everywhere i go they ketp fucking around

This summer i wanted to get a her
i went to a party at my bro's a girl named michelle sluty
I got lade occurting to me she was a babe
I was sick like a motherfucker
Cause this dick gave me water with ry in it
And hade me in a position to make me barf in the
kitchen
Next moring my head felt all spring
Soacker my cloths in puke,I turned the choked and
toked
I tried to plead him and tell him"We shouldnt beef"
Right now i just want somme pussy,Cause all i see is
hot chicky's
I looked at her and i said "Lets go fuck in the church"
She respounce with a"Yes sher just hope father once
aint there"
No dont worry i just smoked 3 once with him
Finally i go somme pussy from a hot chicky
Then i got up and run to the janitors storage booth
Kicked the door hinge loose and ripped out the four
inch srews
Grabbed somme sharp objects,Brooms and foreing
tools
"This is for every time you cheated on me
Like fuck other guys and using toys
Every time you tipped is dick and stif and split
Im getting you back gurl! Now once and for good
I cooked the broomstick buck and swung hard as i
could
And beat her over the head with it till i broked the wood
Knocked her down,stood on her chest with won foot
Made it home that same day
Went on the computer, and suddenly became black
I couldent evan remember what i wanted to do on the
computer
I went blind, and me left eye started to drumline
My dog started to bark"What are u drugs?!?
Look at you,You look so fucked up"
Steph"I know"
He bitted my toe and starting wapping
I kicked her, and me eyes came back alive
I picked her up
Steph"Look bitch what have you done"
Dog"Oh my god im sorry guy"
Steph"Shut up you bitch"
I said
Steph"Fuck you"

There we go you dead like the others
Won't be your guy's goodbye fuckers

Anger management, ever since the day I was born
Psycho is what they used to say I was on
They say I never knew which way I was going
But everywhere I go they kept fucking around

Anger management
What is it, its anger management
What do you have, I got anger management
What, its anger management
Why did you do that, its probably anger management
What's that, its anger management
What, Anger management
Listen to me motherfucker, I got anger management
