Let me tell you about mofucka now  
Everytime i get a gurl hes always around  
Trying to get down,and to bonce her up and down  
Let me show how i fell now,look at the rhyme i wrote

If we dont let him go,that mean hole,Click.Clack,Pow!!  
Mofucka down we dont fuck around we B&W Bloodz  
and Cripz now  
White&Black; or Black&White; we dont care cause were  
always tight  
We can spite out rhymes that could blow your mind  
We can cock that trigure and call you run  
We can make your funeral arrengment for 9:09  
We can pop that trigure and make your cry  
Whats better for you funeral arrengments for 9:09,blow  
your mine or get called run  
I think funeral arrengments at 9:09 is better for me and  
my tribe  
Cause we dont have to think about YOU!!,we dont have  
to make a gun go POOF!!  
And you'd get the chance to meet \*PROOF!!\*,up there i  
mean higher then the ROOF!!  
Now go and do your weights and take your protein  
shakes  
I dont care if your bigger then me,My nine can blow  
bottles of protein shakes  
I aint scared of you G you can come to my face and call  
me a pussy  
I'll laught at your ass a nine will get blast  
Cause i aint scared of a protein drinker and a Tuna

And my ass will get charge with 25 for life  
I dont want life to life if i get life to life i wanna see the  
the light  
At the end of the tunel but you gona be 6 feet under

Dead grave yard dead with a stone saying R.I.H fucking
