The Unforgiven II

Steph Lacroix

Sunday, Nov 28

Lay beside me, tell me what I've done

Speak the words I wanna hear, to make love and run

The love is over now, but it's open if you're true

If you can understand the me, than I can understand
the you

Lay beside me, over wicked sky

The blue of day, black of night, we share are love again

The love cracks open, but there's no light shining
through

red heart scarring darker still, but there's no light
shining through

No, there's no light shining through

No, there's no light shining...

What I've felt, what I've shown

Turn the pages, turn the stone

Behind the love, should I give it for you....

What I've felt, what I shoulded known

Im sick and tired, you stand alone

Could you be here, 'cause I'm that one that loves you

Or are you unforgiven too???

Lay beside me, this won't hurt I swear

You love me not, you love me still, but you'll never love
again

You lay beside me, But You'll be there when I'm gone

Red heart scarring darker still, yes you'll be there when
I'm gone

Yes, you'll be there when I'm gone

Dead sure You'll be there...

What I've felt, what I've known

Now your dead, I waites soo long

Behind the door, should I open it for you....

What I've felt, Now were alone

I was sick and tired, To stand alone

Now you'l be here, I'm gona be one who waits for you

Or are you unforgiven too???

Lay beside me, tell me how it feels
The door is closed, so are you're eyes
But now I see the light, now I see the light
Yes now I see it

For what I've felt, for what I've known
Turn the pages, I loved you soo long
Behind the door, I will open it for you....

What I've felt, what I've chose
To bring you here, In the over wicked sky
Now that your here, 'cause I'm the one that wished you,
Im the won who wanted you....

Here you are, Here i am
Now in heaven, together and happy
Behind the door, I just opend'd it for you.... (So I dub
thee unforgiven....)

Oh, good thing I've felt...
Oh, good thing I've known....

I toked you (I love you...)
I hold you (I love you...) in my arm
Because you're unforgiven too....

Never free....
Because of me....
'Cause you're unforgiven too....
Oh
