How ya gonna make it baby?  
That's the question to be asked  
Life goes on around you  
In so many different ways

I know my share of history  
How hard it is to be free  
From wearing masks that turn to skin  
Hiding what you could have been?

And I, I, I'm so confused  
Which way, which way to choose?  
Ride with me baby  
'Til the end of the day

Mama's home philosophy  
Makes everyone a freak but me  
Though I'm starvin' in the streets  
And can't predict the future

Mirror, mirror on the wall  
Who's the sanest of us all?  
Is he with me or one of them?  
How does he dress, who are his friends?

And I, I, I'm so confused  
Which way, which way to choose?  
Ride with me baby  
'Til the end of the day

Mama's home philosophy  
Makes everyone a freak but me  
Though I'm starvin' in the streets  
And can't predict the future

Can I have my vision back?  
I'll live outside your city walls  
You don't have to be afraid  
Until I come together

Ride with me baby  
'Til the end of the day

Ride with me baby  
'Til the end of the day

Ride with me baby  
'Til the end of the day  
Ride with me baby  
'Til the end of the day
