Take my hand sweet darlin'  
Wipe that frown off your face  
I don't love anyone but you know  
No one can take your place but  
Sometimes I worry darlin'  
The way you seem to hoard my love

Just take what you need  
Don't empty out the store  
Just take what you need  
'Cause I ain't got much more

Took a stroll in the country  
Some peace of mind to find  
Wire fences everywhere  
No place to rest my mind  
Seems like a shame to me  
The way some people hoard their land

Just take what you need  
Don't empty out the store  
Just take what you need  
'Cause I ain't got much

Took a look in the paper  
While tryin' to eat a bite  
You know I read the evening news  
And lost my appetite  
Some have the nerve to ask  
For more respect from you and me

Just take what you need  
Don't empty out the store  
Just take what you need  
'Cause I ain't got much

Take my hand sweet darlin'  
Wipe that frown off your face  
I don't love anyone but you know  
No one can take your place but  
Sometimes I worry darlin'  
The way you seem to hoard my love

Just take what you need  
Don't empty out the store  
Just take what you need  
'Cause I ain't got much
