When you're talkin' in your sleep,
And the name that you whisper isn't mine
And I've finally faced the fact
That you're cheatin' on me one more time
Then my anger starts to rumble
And my steam starts to rise
And the wheels keep turning faster
As I think of all your lies

Oh this train of thought
Is runnin' right on time
But it's off the track
And I'm losing my mind
'Cause the way you treat me
Gonna drive me insane
Honey say you'll never leave me
For God's sake stop the train

Oh the camel back is broken
By the one extra straw added on
And a man can't see reason
When his last ray of sunshine is gone
There's a finger on the trigger
And that locomotive sound
And I think how much I love you
And I turn the gun around

Oh this train of thought
Is runnin' right on time
But it's off the track
And I'm losing my mind
And you hold me the last time
As I try to explain,
Honey, don't feel bad about me
I just had to stop this train
