Here we are, we're perfect strangers  
After all this time there's no more you and I  
But don't look for blame  
We've come so far to different places  
And now to try to live a lie would be a crime  
It's better this way

And we may not have tomorrow  
But there's always yesterday

After the love has gone  
Only fools carry on  
We've been hurting for so long  
And we both know that it's wrong  
After the love has gone  
Then we just don't belong  
We both know that it's wrong  
After the love has gone

It's clear this far nothing to say now  
We sang alone and tried so hard to play the game  
It all ends the same  
Just words no more fill these spaces  
When love is gone it's only wrong to try again  
I know it's a shame

That we may not have tomorrow  
But there's always yesterday

After the love has gone  
Only fools carry on  
We've been hurting for so long  
And we both know that it's wrong  
After the love has gone  
Then we just don't belong  
We both know that it's wrong  
After the love has gone

Here we are, we're perfect strangers  
Now to try to live a lie would be a crime  
It's better this way

And we may not have tomorrow  
But there's always yesterday

After the love has gone  
Only fools carry on  
We've been hurting for so long  
And we both know that it's wrong  
After the love has gone  
Then we just don't belong  
We both know that it's wrong  
After the love has gone..
