You took a mystery
And made me want it
You got a pedestal
And put me on it
You made me love you
Out of feeling nothing
Something that you do, oh
And I was there not
Dancing with anyone
You took a little then
You took me over
You set your mark on
Stealing my heart away
Crying trying
Anything for you
I'm in the middle of
A chain reaction
(Chain reaction)
You give me all the
After midnight action
(Don't pass me by)
I wanna get you
Where I can let you
Make all that love to me
I'm on a journey
For the inspiration
(Inspiration)
To anywhere and
There ain't no salvation
(Don't make me cry)
I need you to get me
Nearer to you
So you can set me free
We talk about love, love, love
We talk about love
We talk about love, love, love
We talk about love

You make me tremble
When your hand moves lower
(When you're in love)
You taste a little

Then you follow slower
(When you're in love)
Nature has a way
Of yielding treasure
Pleasure made for you
You gotta plan your future
Is on the run
Shine a light for
The whole world over
You never find your love
If you hide away
Crying dying
All you gotta do is

Get in the middle of
A chain reaction
(Chain reaction)
You get a medal when
You're lost in action
(Don't pass me by)
I wanna get your love

All ready for the
Sweet sensation
Instant radiation
You let me hold you
For the first explosion
(First explosion)
We get a picture of
Our love in motion
(Don't make me cry)
My arms will cover my lips
Will smother you
(Sooner or later)
With no more left to say
We talk about love, love, love
We talk about love
You let me hold you
For the first explosion
My arms will cover you

All you gotta do is
Get in the middle of
A chain reaction
(Chain reaction)
You get a medal when
You're lost in action
(Don't pass me by)
I wanna get your love
All ready for the
Sweet sensation

Instant radiation
You let me hold you
For the first explosion
(First explosion)
We get a picture of
Our love in motion
(Don't make me cry)
My arms will cover my lips
Will smother you
(Sooner or later)
With no more left to say

All you gotta do is
