Everyone stand up Stand up and move around Everybody clap just clap Just clap your hands Everybody jam, jam Just jam around Let me hear you shout check it out it's going down (2x)

Come on get together Make it last forever Come on get together Everybody jump around Just check it out it's going down

Come on get together Make it last forever Come on get together Everybody jump around Just check it out it's going down

We're doing all right, we're doing alright now Yeah we're bringing it, we're bringing it on Bringing it on, bringing it on, bringing it on, bringing it on

Come on get together Make it last forever Come on get together

Everybody jump around Just check it out it's going down
