Oh yeah, yeah, yeah,  
I'd do anything to be your hero.

Maybe I'm never gonna change the world,  
Or split the atom in two,  
I know one man can't save the universe,  
But girl if I could I'd do it for you.

I'd give you anything you asked for,  
I'd be your knight in shining armour,  
And just like superman.

I'd move heaven and earth,  
In order to save you,  
Sail seven seas,  
To come to your rescue,  
What would it take?  
Just let me know,  
I'd do anything to be your hero (hero).

I know I may not be invincible,  
Or be the worlds strongest man (oh no),  
But baby nothing seems impossible,  
With you by my side,  
I'll hold back the tide.

I'd be your knight in shining armour,  
The light to guide you into harbour,  
And just like superman.

I'd move heaven and earth,  
In order to save you,  
Sail seven seas,  
To come to your rescue,  
What would it take?

Just let me know,  
I'd do anything to be your hero (hero).

I'd fly through the air,  
Protect you from danger,  
Walk through fire (walk through fire),

To win back your favour,  
What more would it take?  
I have to know,  
Cause I'd do anything to be your hero,  
I'd do anything to be your hero.

Hero hero hero  
Hero hero hero  
Hero hero hero  
I'd do anything to be your hero

I'd move heaven and earth (oh yeah),  
In order to save you (yes I would),  
Sail seven seas,  
To come to your rescue,  
(What would it take?) What would it take?  
Just let me know,  
I'd do anything to be your hero (hero).

I'd fly through the air,  
Protect you from danger,  
Walk through fire (walk through fire),  
To win back your favour,  
What more would it take?  
Just let me know,  
Cause I'd do anything to be your hero (hero),  
I'd do anything to be your hero.
