Maybe I wanted to be free  
I wanted time to be me  
I tried to fly so high  
But something changed inside of my heart  
And now there's the sweetest pain  
Oh I can't explain  
It's time I asked  
What am I running from and to

Ooh, I surrender baby  
I need your love to save me  
Now I know that I was wrong  
I'm coming back 'cos love is strong  
Yeah I surrender baby  
So stop my heart from breaking  
It's crazy but now that we're through  
The only thing I want is you  
So surrender too

Maybe we're only halves alone  
And it's together we are whole  
And now I've thought it through  
Well it all works out it's you I love  
Every single day I picture your face  
But it's not enough  
And I can't fight the truth no more  
Ooh, I surrender baby  
I need your love to save me  
Now I know that I was wrong  
I'm coming back 'cos love is strong  
Yeah I surrender baby  
So stop my heart from breaking  
It's crazy but now that we're through  
The only thing I want is you  
So surrender too

Now I know what love is worth  
And it's too much to lose  
And I know there's nothing else  
Nothing else but you  
So surrender too

Ooh, I surrender baby  
I need your love to save me  
Now I know that I was wrong  
I'm coming back 'cos love is strong  
Yeah I surrender baby  
So stop my heart from breaking  
It's crazy but now that we're through  
The only thing I want is you  
So surrender too
