(Claire Richards / Andrew Frampton)

Oh, oh

I never read the sign  
Driving on the road  
Thought life had began and you'd be the one  
It's not deja-vu but I'm sure  
I've been here before  
Love was all you had to lose  
And now I know it was too much for you

Tell me why  
You're feeling the way I feel  
Deep inside I know it's not meant to be  
This time I won't take the easy way out  
I'm letting go  
'Cause I don't want you in my life if you ain't in it for  
love

You never crossed the line  
I fooled myself I guess  
'Cause I needed you  
To feel like I do  
And boy I confess I won't settle for less  
'Cause love was all you had to lose  
And now I know it's too much for you

Tell me why  
You're feeling the way I feel  
Deep inside I know it's not meant to be  
This time I won't take the easy way out  
I'm letting go  
'Cause I don't want you in my life if you ain't in it for  
love

In it for love

I know you told me a thousand times  
That there's no love like yours and mine  
But I can see through you  
You don't mean it do you?

Tell me why  
You're feeling the way I feel  
Deep inside I know it's not meant to be  
This time I won't take the easy way out  
I'm letting go  
'Cause I don't want you in my life if you ain't in it for  
love

'Cause I don't want you in my life if you ain't in it for  
love
