I'm calling out won't somebody out there hear my  
S.O.S?  
Throw me a life line please and save me.  
There's no doubt baby you took me prisoner I confess.  
When you crossed my defences and captured my  
heart.

[Chorus:]

And now it's too late to put up a fight  
I thought I was strong but I try as I might, Can't break  
away  
Darling there's no way out nothing can help me now  
Love's got a hold of my heart!

(My heart, my heart heart heart heart)  
(Love's got a hold of my heart)  
There's no escape (there's no escape!)  
Now I'm like a damsel in distress,  
Trapped in this fairy tale for ever (ooh)  
And no mistake, it's tragic but I'll have to face the truth  
I guess,  
And live ever more resigned to my fate...

[Chorus]

Hold on my heart! Hold on my heart!  
Love's got a hold on my, It's got a hold on my heart.  
(Heart heart heart heart heart heart heart)  
(Heart heart heart heart heart heart heart)

[Chorus x3]
