"One Night Only"

Visit "[One Night Only](#)" on MotoLyrics.com

Go, you don't have to feel alone.
Time does not have to be on your side
When you know home is not very far away.

All we need is time.
All we need is baba baba baba.
How do ya know?
How do ya know?

How do ya sleep at night?
I'm not very far, not very far from here.
If I was there, if I was there you'd see

All we need is time.
All we need is baba baba baba.
How do ya know?

All we need is time.
All we need is time.
All we need is baba baba.

How do ya know?
