Tonight we're going undercover,  
As we prepare ourselves,  
We take the neccassary time,  
Tonight for no-one else,  
We're set to take from one another  
There's no way back from here,  
Let's feel this weekend ritual,  
There's no way back from here,

Be careful ,  
cos you'll catch us going crazy,

Doing the things we do and keep moving the way we  
move,  
Can't take away this feeling we R dancing,  
Doing the things we do and keep moving the way we  
move,  
Can't take away this feeling we R dancing,  
Sha la la, sha la la, sha la la hey!  
Sha la la, sha la la, sha la la hey!

Approaching us to discover,  
Arising energy,  
Just take my hand and you will find the reason we are  
free,  
Reset to take from one another,  
There's no way back from here,  
Let's feel this weekend ritual,  
There's no way back from here,

Be careful,  
Cos you'll catch us going crazy,

Doing the things we do and keep moving the way me  
move,  
Can't take away this feeling we R dancing,  
Doing the things we do and keep moving the way me  
move,  
Can't take away this feeling we R dancing,  
Sha la la, sha la la, sha la la hey!  
Sha la la, sha la la, sha la la hey!  
Sha la la, sha la la, sha la la hey!

Sha la la, sha la la, sha la la hey!

Doing the things we do and keep moving the way we  
move,

Can't take away this feeling we R dancing,

Doing the things we do and keep moving the way we  
move,

Can't take away this feeling we R dancing

Doing the the things we do and keep moving the way  
we move,

Can't take away this feeling we R dancing,

Sha la la, sha la la, sha la la hey!

Sha la la, sha la la, sha la la hey!
