Heaven knows it's a lonely way living on my own  
I never thought that I would be this far from all I know  
I gave you all the love in me  
But love is blind and now I see  
The fool I've been believing you loved me

I waited so long fo you  
Now what am I  
supposed to do?

#### CHORUS

One day believe me  
You'll be sorry  
You're gonna feel this pain  
One day you'll see me and  
remember  
the promises you made  
Just wait and see how  
You'll be sorry  
One day your sky's gonna rain  
One day believe me  
You'll come running back  
to me again

Heaven knows you'll be back again  
When you feel the cold  
And the truth will find you out, for all the lies you sold  
So chase the rainbows you can find  
'Cause you've gone too far this time  
The fool I've been believing you were mine

I waited so long for you  
Now what am I supposed to do?

#### CHORUS

You'll be so sorry  
When you realise the love  
you're missing  
You'll feel so lonely  
When you realise I'm not forgiving

Not forgiving You  
Oh no, no no  
No forgiving, Oh

CHORUS
