Promises were never made,
Chances that we could have taken,
Sure I would stay forever with you,
Is it easier to live a lie?,
Tell my heart it's not worth trying,
It's hard when you're dreams are torn in two,
Thought we'd always be together,
I thought I'd never be out on my own again,
Lost without you,
Now that you're gone,
Holding on,
In My Heart I know it's time to say goodbye,
Stop me from loving you,
Even though I know we're through,
We're in the past can't afford the moment,
Cannot pretend I'm over you,
Thought we'd always be together,
I thought I'd never be out on my own again,
How wrong could I be?,
Now that you're gone,
Holding on,
In My Heart I know I want you in my life,
Stop me from loving you,
This feeling inside,
Cannot hide,
In my heart I know it's time to say goodbye,
Stop me from loving you,
Thought we'd always be together,
I thought I'd never be out on my own again,
How wrong could I be?,
In My Heart I know I want you in my life,
Stop me from loving you,
This feeling inside,
Cannot hide,
In my heart I know it's time to say goodbye,
Stop me from loving you,
Now that you're gone,
Holding on,
In My Heart I know I want you in my life,
Stop me from loving you,
This feeling inside,
Cannot hide,

In my heart I know it's time to say goodbye,
Stop me from loving you,
Now that you're gone.
