It's the things that you do - so physical
It's the things that you say - so flammable
You know I can't resist
Boy it's such a shame
You belong to another
I don't want to hurt nobody
But my heart just can't hold back

CHORUS

It's the way you make me feel - the way that you make
me feel
Spinnin' my world around
Tell me how can I walk away, I don't care what they say
I'm lovin' you anyway - it's the way you make me feel

I'm gonna make you mine - it's not impossible
Got to let you know - I'm irresistible
Baby can't you see - you're the one for me, but you
belong to another
I don't want to hurt nobody
But my heart just can't hold back

CHORUS

Make me feel ooh x 2

When I look into your eyes
Every time you smile at me
Ooh I go weak inside
Baby I just can't hide - my love

CHORUS

Make me feel, make me feel ooh x2

Tell me how can I walk away, I don't care what they say
I'm lovin' you anyway
It's the way you make me - feel
