Oh listen to me people
I ain't got time to think about money
Or what it could buy
And I ain't got time to sit down and wonder
What makes a bird fly
And I have the time to think about
What makes the flowers grow
And I'm never giving a second thought
To where the rivers flow

CHORUS

Too busy thinking 'bout my baby
And I ain't got time for nothing else

Said I ain't got time to discuss the weather
How long it's gonna last
And I ain't got time to do my studies
Once I get out of class
Telling ya I'm just a girl
Said I got a one track mind
And when it comes to thinking about anything but my
baby
I just don't have the time

REPEAT CHORUS

All the diamonds and pearls in the world
Could never match his worth, no no no
He's some kind of wonderful, people tell ya
I've got heaven right here on earth
I'm just a guy
With a one track, one track mind
And when it comes to thinking 'bout anything but my
baby
I just don't have the time

REPEAT CHORUS
