(Norman Whitfield / Janie Bradford / Barret Strong)

Oh listen to me people

I ain't got time to think about money
Or what it could buy
And I ain't got time to sit down and wonder
What makes a birdie fly
And I don't have the time to think about
What makes the flower grow
And I've never given a second thought to where the
rivers flow

Too busy thinking about my baby yeah
And I ain't got time for nothing else

I ain't got time to discuss the weather
And how long it's gonna last
I ain't got time to do no studies
Once I get out of class
Telling you I'm just a girl, Saying I got a one track mind
When it comes to thinking about anything but my baby
I just don't have the time

Too busy thinking about my baby yeah
And I ain't got time for nothing else
Too busy thinking about my baby yeah
And I ain't got time for nothing else
All the diamonds and pearls in the world
Could never match your worth, no, no
He's some kind of wonderful
People I tell ya
I got a heaven right here on earth
I'm just a guy
With a one, one track mind
When it comes to thinking about anything but my baby
I just don't got the time

Too busy thinking about my baby yeah
And I ain't got time for nothing else
Too busy thinking about my baby yeah
And I ain't got time for nothing else

Too busy thinking about my baby
Ain't got time for nothing else, no, no, no
Too busy thinking about my baby
Ain't got time for nothing else, no, no, no
