Here I lie in a lost and lonely part of town
Held in time in a world of tears I slowly drown
Goin' home I just can't make it all alone
I really should be holding you, holding you
Loving you, loving you

Tragedy, when the feeling's gone and you can't go on
It's tragedy, when the morning cries
And you don't know why, it's hard to bear
With no one to love you, you're going nowhere

Tragedy, when you lose control and you got no soul
It's tragedy, when the morning cries
And you don't know why, it's hard to bear
With no one beside you, you're going nowhere

Night and day there's a burning down inside of me, oh,
ooh
Burning love with a yearning that won't let me be
Down I go and I just can't take it all alone
I really should be holding you, holding you

Loving you, loving you

Tragedy, when the feeling's gone and you can't go on
It's tragedy, when the morning cries
And you don't know why, it's hard to bear
With no one to love you, you're going nowhere

Tragedy, when you lose control and you got no soul
It's tragedy, when the morning cries
And you don't know why, it's hard to bear
With no one beside you, you're going nowhere

Tragedy, when the feeling's gone and you can't go on
It's tragedy, when the morning cries
And you don't know why, it's hard to bear
With no one to love you, you're going nowhere

Tragedy, when you lose control and you got no soul
It's tragedy, when the morning cries
And it hurts inside, it's hard to bear

With no one beside you, you're going nowhere
