I think I heard about
Thousand times or more
Don't you bother wasting time
You're telling me
You're so much
Better than before
But I find it hard believin'
Until you prove me wrong

If you really want my love
If I'm all you're dreaming of
You may find it tough
'Cause words are not enough
(If you want my love)

I wouldn't ever make
The same mistake again
Don't wanna be nobody's fool
I wouldn't play the losing game
When I (you) can't win

There's nothing that I'm missing
So you'd better prove me wrong

If you really want my love
(If you want my love)
If I'm all you're dreaming of
(All you're dreaming of)
You may find it tough
'Cause words are not enough
(If you want my love)

You know it ain't easy
To find a new way
After everything
That we've been through
So come on and please me
And show me that I'm wrong
Let me see you bring
The best out of you
(Ooh)

If you really want my love
If I'm all you're dreaming of
(All I'm dreaming of)
You may find it tough
'Cause words are not enough

If you really want my love
(If you want my love)
If I'm all you're dreaming of
(All you're dreaming of)
You may find it tough
'Cause words are not enough
(If you want my love)

If you really want my love
(If you really want my love)
If I'm all you're dreaming of
(If I'm all you're dreaming of)
You may find it tough
'Cause words are not enough
(Not enough)

If you really want my love
(If you want my love)
If I'm all you're dreaming of
(All you're dreaming of)
You may find it tough
'Cause words are not enough
