I thought that we were set for life,  
Will be together man and wife,  
But all the plans I made for us,  
Have changed,  
I thought I could decide for you,  
Everything that we would do,  
I wish I could have bit my tongue,  
But I kept going on and on,

Words of wisdom,  
Everyone offers me,  
Words of wisdom,  
Now I can see,  
That it's easy on the outside,  
To give an advice,  
But now your gone,  
And I can recognize,  
What I put you through,  
With those words of wisdom,  
I gave to you

Everybody's telling me everybody's telling me,  
It clearly wasn't meant to be,  
But they don't know how much I hurt you,  
I was wrong,  
Now I realize that being wise so wise,  
Doesn't always mean to criticise,  
And by driving your love away,  
I know now what not to say,  
Words of wisdom,  
Everyone offers me,  
Words of wisdom,  
Now I can see,  
That it's easy on the outside,  
To give an advice,  
But now your gone,  
And I can recognize,  
What I put you through,  
With those words of wisdom,  
I gave to you

They tell me how life goes on,

And I gotta be strong,  
But I don't wanna be looked upon,  
As someone who really needs,  
Words of wisdom,

Words of wisdom,  
Everyone offers me,  
Words of wisdom,  
Now I can see,  
That it's easy on the outside,  
To give an advice,  
But now your gone,  
And I can recognize,  
What I put you through,  
With those words of wisdom,  
I gave to you

I gave to you (words of wisdom),  
I gave to you (words of wisdom),  
I gave to you.
