DJ Clue, Desert Storm, Jagged Edge!

[Jagged Edge] + (DJ Clue)

Come and talk to me, I really wanna meet you girl

I really wanna know your name (Fabolous!)

Whoa, come and talk to me, I really wanna meet, you girl

I really wanna, KNOW YOUR NAAAAAME (Professional 3!)

Oh yeah baby, cause you look so sexy you really turn me on

Blow my mind every time I, see your face girl (Clue!)

You look so sexy you really turn me on

Blow my mind every time I, see your face girl (c'mon!)

[Fabolous]

So sexy, yeah...

I need to know whatever they call you

Forever I'm loyal, do whatever to spoil you

The way you fit them jeans Seven should call you

That ass had me makin heavy withdrawals

I'm smooth when I approach and I stay on them stones

Make you move in with the coach and leave them players alone

We can talk 'bout it, get a bottle pull the cork out it

One convo' and then you in the condo (c'mon!)

[Jagged Edge]

I've been watchin you, for so very long

I'm tryin to get my nerve built up to be so strong

I really wanna meet you, but I'm kind of scared

Cause you're the kind of lady, with so much class

I get my thoughts together, for the very next day

But when I see you lately I forget what to say

Your eyes and hair, such a beautiful tone

The way you dress and walk, it really, turns me on

Yeah, oooh you really turn me on

C'mon, c'mon, c'mon

[Chorus: Jagged Edge]

Come and talk to me (my baby)
I really wanna meet you
Can I talk to you?
I really wanna know you
Come and talk to me
I really wanna meet you
Can I talk to you?
I really wanna know you

[Jagged Edge]
Ohh, oh oh oh, oh
There you are again, the same smiley, babe
I wanna know just what it is to make you feel this way
I wish I could grab you, tell you what it means to me
See you walkin my way, and it really, makes my day
Before I go to sleep, and dream about you
I'm a single man and I hope that you are, single too
(ohh baby)
Tomorrow we'll see, somethin to set my mind free
Cause to you we are so cheap thuggin the, hell outta
me
Yeah babe, ohh you turn me on
C'mon, c'mon, c'mon

[Chorus] with ad libs

[Jagged Edge] + (DJ Clue) + {Fabolous}
Said I wanna, know you baby
You wanna tell me your name - won't you tell me your
name
I wanna play your game - let me play your game
Ohhhhhh - ohhh ohhh ohhh yeah
I wanna know (DJ Clue, Jagged Edge!)
{Them J.E. Boys} Whoaaaaa (Fabolous!)
I wanna know {F to the A-B, whattup Clue? Yeah}
(Professional 3!) Said I wanna know you baby!

[Fabolous]
See I catch your girl eyes when I play the club
Cause they ain't seen a +Diamond+ dance like this
since LisaRae in "The Player's Club"
They might say it's dubs but you see the way it rubs
I always say they must of missed a couple inches boo
I see them heels, you on a couple inches too
Come with me I'll show you what a couple inches do
But first, I was hopin on
We could sit and talk, you know get our Oprah on
Or we could down martinis faster than Lambourghinis
On places where they only wear trunks and bikinis
I don't talk game like a sports commentator
That get you sex now and a court problem later

I rather be real, cause even while havin these mil's
I'm down to earth like gravity still
But you, look, so sexy
You really turn, me on and on and on
And on and on and on... and on and on and on
Yeah

[Outro: Jagged Edge] + (DJ Clue)
Ohhhh (ha ha, ha ha!)
I wanna know... whoaaaaaaa whoa
Say whoa whoa wooooo
Won't you tell me your name
Say you look so good, yeah
Ohhh (Professional 3!)
Baby come on and take off all your clothes yeah
Let me lick you from head to toe ohhh - ohhhh
Baby don't you say no-no no-no no-no
Ohh no, ohh no no no
Don't you leave me lonely baby yeah yeah
Come on baby, come on baby
I wanna lick you from head to toe (DJ Clue, Desert Storm
baby)
Come on baby, come on baby (Roc-A-Fella)
Come and talk to me babe...
