(Hills 3:29)

I wanna live in a restaurant
Far from you
I make a living thinking slowly
That's all I can do
Don't think of me, I won't think of you, It's too hard to
do
Picture what everyone sees
A Disney day Parade
You missed the show
It ends without you

I'm amazed
At all that I put you through
And on that day that I saw you
I knew I was through.

I wanna live like the rest of you
With nothing to do
A simple life is never easy
When freaks look like you
I'm so tired of being tired
In a room with no view
I'll only need a little money
It should get me through

I'm amazed
At all that you put me through
And on that day that I saw you
I knew I was through
She won't get me this time
I'm buying a Rover
And driving her over
She can run she can't hide
I'll try to explode her
So I can get older
Get on with my life

I wanna live in a Restaurant
When I'm through with you
I'll be laughing cause it's funny

You'll be less amused

I'm amazed
At all that I put you through
And on that day that I saw you
I knew I was through

I'm amazed
At all that you put me through
And on that day that I saw you
I knew I was through
