English-

I tied a ribbon in my hair
and then I tried to smile
I got the feeling that
I had changed who I was
A bit of courage
becomes confidence
I had forgotten that fact
until I met you
Any girl can become fearless
by knowing a special kind of magic
IT'S SHOW TIME!
Make my heart beat faster and faster
I always want this exiting feeling
I will show you a different me, so please
I become more and more open
As I overflow with this feeling
I want to give it all to you
Please accept it, MY SWEET HEART
