People always sayin':
"Tom this has gone too far"
I'm not afraid to chase my dreams
Just me and my guitar

And no one may ever know
The feelings inside my mind
'Cause all of the lines I ever write
Are running out of time

So maybe I should get a nine to five
But I don't wanna let it go
There's so much more to life

Tell me that I got it wrong
Tell me everything will be okay
Before I fall
Tell me they'll play my songs
Tell me they'll sing the words I'll say
When darkness falls
All of the stars will see
Just me and my guitar

I'm sure that I'll find my way
'Cause I'm not afraid to try
Even a world of love and hope
Can't guarantee that prize

So maybe I should get a nine to five
I don't wanna let it go
There's so much more to love

Tell me that I got it wrong
Tell me everything will be okay
Before I fall no no
Tell me they'll play my songs

Tell me they'll sing the words I'll sing
When darkness falls
All of the stars will see
Just me and my guitar
Me and my guitar
