when we all need time
to let our memories go
you've struggled with your past
and dreams the that aren't your soul
you were just a child
a foolish game was played
while the others laughed
it hurts so bad, it caused you so much pain
but now you have grown and you're ready for the world

cause you're beautiful now
yeah you're more than words can say
you're so beautiful now
you're so far from yesterday
so beautiful, oh yes you are

well before, you would cry
and hide your face in shame
cause it broke my heart to watch
you endure this hateful game
cause i knew it way back then
that there soon will come a day
when all the time i tried to find
the perfect words to say
no need for goodbyes
just spread your wings and fly

cause you're beautiful now
yeah you're more than words can say
you're so beautiful now
you're so far from yesterday

just leave it behind
cause a brand new day has come
and you'll see, if you believe
that your life has just begun

cause you're beautiful now
yeah you're more than words can say
you're so beautiful now
you're so far from yesterday

you're so beautiful
yeah you're beautiful now
so beautiful, yeah so beautiful
so beautiful, yeah you are beautiful
so beautiful, so beautiful
