Something ain't right

I'm gonna get myself, I'm gonna get myself
I'm gonna get myself connected
I ain't gonna go blind for the light which is reflected
I see thru you, I see thru you
I see thru you, I see thru you

Your dirty tricks, you make me sick (oh yeah)
I see thru you, I see thru you
I'm gonna do it again, I'm gonna do it again
Ah, I'm gonna do it again (I'm gonna do it again)
(I'm gonna do it again)
Gotta do right(I'm gonna do it again)
Cause something ain't right (I'm gonna do it again)
Gotta do right, come on (oh yeah)

If you make sure you're connected
The writing's on the wall
But if your mind's neglected, stumble you might fall
Stumble you might fall, stumble you might fall

Ain't gonna go blind (oh yeah)
I see thru you, I see thru you
I see thru you, I see thru you (oh yeah)

I'm gonna get myself, I'm gonna get myself
I'm gonna get myself connected
I ain't gonna go blind for the light that is reflected
Hear me out
Can ya hear me out, can ya hear me out

Do it again, do it again
Do it again, do it again
I wanna do it again
I wanna do it again
I wanna do it again

You terrified (I wanna do it again)
Ain't gonna go blind, ain't gonna go blind
I wanna do it again

Here we go

If you make sure you're connected
The writing's on the wall
But if your mind's neglected
Stumble you might fall, stumble you might fall
Hear me out, stumble you might fall

Interstate 5, stayin' alive
Won't someone try, open up your eyes
You must be blind if you can't see
The gaping hole called reality (oh yeah)

Wanna do it again
I gonna, gonna do it again
I wanna do it again, come on
I'm gonna do it again
Hear me out, terrified
Something ain't right
Here we go

If you make sure you're connected
The writing's on the wall
But if your mind's neglected
Stumble you might fall
Stumble you might fall
Stumble you might fall

(Repeat...)
