It's Christmas time,
there's no need to be afraid
At Christmas time
we let in light and banish shade
And in our world of plenty
we can spread a smile of Joy
Throw your arms around the world
at Christmas time

But say a prayer,
Pray for the other ones
At Christmas time it's hard
but when you're having fun...
There's a world outside your window
and it's a world of dread and fear
Where the only water
flowing is the bitter sting of tears
Where the Christmas bells that are ringing
and the clanging chimes of Doom
Well, tonight thank God
it's them instead of you

And there won't be snow in Africa
this Christmas time
The greatest gift they'll get this year is life
Ohh....
Where nothing ever grows
No rain or rivers flow
Do they know it's
Christmas time at all?

Here's to you...
Raise a gladd for everyone
Here's to them
Underneath that burning sun
Do they know it's
Christmas time at all?

Feed the world...
Feed the world...

Feed the world,
Let them know it's
Christmas time again
Feed the world,
Let them know it's
Christmas time again
(Repeat several times and fade)
