Je donnerais cher,  
Pour etre a nouveau  
Asise sur un banc,  
Au parc avec toi  
Le fond de mon cour,  
Etait radiation  
La toutes les couleurs,  
Une revelation  
Le temps s'est age  
Et la j'ai vu  
Combien tes levres  
Sont desirables  
L'impalpable est  
Devenu matiere  
Il s'est clotie  
Contre le vide  
La tendresse aboutie  
La violente carresse  
Qui reveille  
Dans mon etre  
Chavire  
Une enigme

The emergency kisses  
I gave dearly, to become new  
Sitting on a riverbank,  
In the park with you  
All the colours there  
A revelation  
The depth of my heart  
Was radiation  
Time grew older as I saw how desirable your lips are  
there, the impalpable  
Became matter  
It is wrapped up against the void  
The victorious tenderness  
The violent caress  
That awakes  
Within me  
Capsized  
An enigma.
