Humour et vérité
sensés d'antenneler
tout frais et toute pimpante
allemande
À l'aise et insouciant
confiant
son sourire est vivant
son cœur intelligent
merci pour le manteau il m'a tenu chaud
(Elle n'aurait pas, je t'écouterai)

translation
Humour and truth
supposed to dismantle
all fresh and all spruced up
German
comfortable and carefree
confident
her smile is lively
her heart intelligent
thanks for the coat it kept me warm
(She wouldn't have, I will write you)
