We should never write ourselves off
See ourselves as the victims of...
It is always our decision
Tell me I am responsible

Satisfying feeling
Of connection...

It is always our decision
It's the feeling of connection

Depends on our actions
Can't see ourselves as the victims

It's been a long time
Since anyone come to me to call on my deeper senses
Thank you so much
You spoke to me in a way that revived my life essences
It feels so cold
Feels alive and rela... (?)

I can connect with the world
