Hot and horny, hard and boney
Long and pointed, double-jointed
Pink and hairy, black and scary
Any kind of cock at all is good enough for me
As long as it has balls attached where they are to be

And I don't give a shit if it's big as a baloney
Or weeny as a wiener as long as it can get me horny
And juicy in my pussy 'cause I'm really not so fuzzy
But if it's soft and smelly then it's no damn good to me
But I'll gladly take a shit on it if you will pay the fee

Hot and horny, hard and boney
Long and pointed, double-jointed
Pink and hairy, black and scary
And early in the morning when they really got to pee
A hard-on tastes much better than a cup of breakfast tea

You're sucking and you're licking on a pair of hairy balls
You're funky as a monkey or a ?? that climbs the walls
When you wrap your lips around this rod and suck it till it's ??
Then you gargle on its jazz when the blowjob's finally through
And you ask me quite politely if I'll do the same to you

Hot and horny, hard and boney
Long and pointed, double-jointed
Pink and hairy, black and scary
For a cock that gets its hard-on after fucking all the night
No pussy is too roomy and no asshole is too tight

But the kind of cocks that I really like the best
Deliver high performance when I put them to the test
So if I see a crotch and I want some satisfaction
I squeeze it once or twice to see if I can get some action
And if there's no reaction then it isn't worth a shit

They should be hot and horny, hard and boney
Long and pointed, double-jointed
Pink and hairy, black and scary
Any kind of cock at all is good enough for me
As long as it has balls attached where they are to be
