I won't cry anymore,
I can't believe that it's over;
I can't believe what you've done.
You threw my heart away,
there's nothing more to say,
only you're sorry.

My heart dies a little more,
every time I think of her, you played her,
you're always with another.
You're so good at the game,
you had me fooled,
I couldn't see how you lied to me.

Chorus

And I wonder why you ever said you cared for me.
If you had her by your side,
why couldn't you just set me free?
So deceived by your lies everyday.

I can't believe I died in your arms at night,
as you held me.

As you held me (3 times)

You were the one in my mind,
and how it seemed everlasting,
you would always be mine.
Until the game you played,
lead my heart astray.

You awakened me from my dreams.
And I won't ask you why.
You say you just couldn't tell me,
all along you had another.

Playing make believe,
while my heart lay asleep,
how could you lie to me?

Chorus

As you held me (4 times)

And I wonder why you ever said
you ever said you cared for me.
Deceived by your lies everyday.
I can't believe I died in your arms at night as you held
me.

As you held me (7 times)
