Lately
Been feeling a little low down
It seems like
I keep falling to the ground
But every time that you come around
Everything's ok
No there ain't no sweeter sound
Than when you say my name

Hey You
I think you got what it takes
Your words are my sunlight
And the pour from your lips like rain
I need a friend
Who isn't a fake
And then you come my way
No there ain't no sweeter sound
Than when you say my name

Yeah Yeah Yeah
Yeah Yeah Yeah
Yeah Yeah Yeah
Yeah Yeah Yeah

The sound moves through the air into my soul
It goes further than the noise on my radio
Then something happens that I can't explain
No there ain't no sweeter sound
Than when you say my name

Yeah Yeah Yeah
Yeah Yeah Yeah
Yeah Yeah Yeah
Yeah Yeah Yeah
