You will not waste my time
I will do anything
I want to anyway
This will be the end of everything that you know
I know we're killing for the raven so here we go
Don't even try to hold me down
Watch me
Be afraid
This is the way that it is
Get ready here I come
Dropping down on you
Don't want and try to run
And when I'm finished with you
Watch me
Be afraid
(Have you ever been afraid of someone?
I've never been afraid of no one) [2x]
I do not fear
Have you ever been afraid of someone?
I've never been afraid of no one
I do not fear
Have you ever been afraid of someone?
I've never been afraid
Afraid!
