I thought I made it so clear  
You made a change in my life  
I watched you disappear  
Tell you the truth, I'm not lonely

Now you're steppin' away from me  
One foot at a time  
Now you're steppin' away from me  
Hope it's the last time  
Cold and lonely

What's your biggest fear?  
Feelin' empty inside  
Don't wanna see you come closer here  
I'd hate to say, it's just over

Now you're steppin' away from me  
One foot at a time  
Now you're steppin' away from me  
Hope it's the last time  
Cold and lonely  
Cold and lonely inside

Now you're steppin' away from me  
One foot at a time  
Now you're steppin' away from me  
Hope it's the last time

Now you're steppin' away from me  
One foot at a time  
Now you're steppin' away from me  
Hope it's the last time  
Cold and lonely  
Cold and lonely
