So, baby, keep my heart beat, b-beat, beat, beating  
And the soul reason I keep believing  
That we're going to die like this you know, oh, oh, oh  
A-beat, beat, b-beat, beat, beating  
A-beat, beat, b-beat, beat, beating

Hey, hey, beautiful  
The sunshine shines, oh, oh, so bright, alright  
Lay back  
I'll spend the night just staring at you

For every grain of sand  
That you drew me pictures in  
There was one for every time  
That my, my heart dropped again

So, baby, keep my heart beat, b-beat, beat, beating  
And the soul reason I keep believing  
That we're going to die like this you know, oh, oh, oh  
Heart beat, b-beat, beat, beating

Close your eyes don't say a word  
Your way too beautiful you heard  
The way, the way my heart keeps beating  
Beating

For every grain of sand  
That you drew me pictures in  
There was one for every time  
That my, my heart dropped again

So, baby, keep my heart beat, b-beat, beat, beating  
And the soul reason I keep believing  
That we're going to die like this you know, oh, oh, oh

So, baby, keep my heart beat, b-beat, beat, beating  
And the soul reason I keep believing  
That we're going to die like this you know, oh, oh, oh

A-beat, beat, b-beat, beat, beating  
A-beat, beat, b-beat, beat, beating  
A-beat, beat, b-beat, beat, beating

A-beat, beat, b-beat, beat, beating  
So, baby, keep my heart beat, b-beat, beat, beating

So, baby, keep my heart beat, b-beat, beat, beating  
And the soul reason I keep believing  
That we're going to die like this you know, oh, oh, oh

So, baby, keep my heart beat, b-beat, beat, beating  
And the soul reason I keep believing  
That we're going to die like this you know, oh, oh, oh
