Weve got a case of tears.
Call mom tonight and let her know.
That I've lost my mind.

I'd try to keep my head on straight.
But I'd always seem to break.

Your glance breaks heart lines,
And you threw it with a be mine.
Look look.

Yeah look what you have
To show for all your hard work.

So leah.
Why don't you come back to me tonight.
Beceuse I'll show you everythings the way you want.
So leah.
Why don't you come around.
When your heart beats safe and sound to my stereo!

So unplug the stars they don't deserve.
The middle spot to your cheap words.
I tried to show you what you want I guess I'm not worth.

The second handsmoke a cheap disease,
Well name it leah, call it free.
I tried to find the cure but I'm so sure, so sure.

So go ahead, and tell all your friends.
Your all I'm wishing for.
So go ahead, don't deprive them.
It's better to have loved than lost.
But I had my fingers crossed.

So leah.
Why don't you come back to me tonight.
Bcuase I'll show you everythings the way you want.
So leah.
Why don't you come around.
When your heart beats safe and sound to my stereo!

So leah.
