(Riviera-Bourgeois)
english version: F. Cactus

i was never afraid of nothin'
i already saw monsters
but since a few days i know one
ouah he's so ugly

and forever i'll remember
the fear that he gave me
vertigo's nothing compared with it
ouah he's so ugly

he came by here coucou
he came by there uhuhahahoho
he put a chain around the neck
of every girl he met

i didn't want to see him from near
i was afraid, so i hid
in the deepest, deepest woods
my god, he's so ugly
but he came back and didn't stop
to follow me step by step
you should believe it, it's for real
ouah he's so ugly

he came by here ...

but suddenly he took my hand
he was not a monster anymore
and you know what? at the end
i said to him: come
i love you so
i love you so

he came by here ...

he puts a chain around the neck
of every girl he loves
of every girl he loves ...
