(Come on yea!)
Could call it a dream,
Well you are my dream girl
Since you first came around and talked to me.
But my words got choked up, wish I would've spoke up
But now you and me are only make believe.

Because I'm tongue tied.
I can't find the words to say that I-I need you by my
side.
But I'm terrified just to talk to you.
I won't be satisfied 'til I'm tongue tied with you.

So now it's a new day, better get outta my way
Gotta make you understand my master plan.
I'm gonna practice my words, all my nouns and verbs
Anything I could do to get through to you.

I'm gonna make you mine,
No matter rain or shine
I just need some time.

Because I'm tongue tied.
I can't find the words to say that I-I need you by my
side.
But I'm terrified just to talk to you
I won't be satisfied 'til I'm tongue tied with you.

(Talking)
["Dude, seriously you should give her a call."
"Don't call her, don't call."
"It's ringing"
"Hello?... Hello?"
"Um..."
"This is not funny... Okay you know what, I'm hanging
up now."]

Knees weak, can't speak
I'm just stu-stuck on repeat.
I'm thinking 'bout her 8 days a weeks it's not enough
for me.

Because I'm tongue tied.
I can't find the words to say that I-I need you by my
side.
But I'm terrified just to talk to you
I won't be satisfied 'til I'm tongue tied with you.

Because I'm tongue tied.
I can't find the words to say that I-I need you by my
side.
But I'm terrified just to talk to you
I won't be satisfied 'til I'm tongue tied with you
