So I've been thinking that maybe, baby  
I've been going a little crazy lately.  
Yeah, what'cha gonna do?  
And, Chelsea baby, I can't get you out of my head.

So I spent today, just thinking of ways that I could  
make that smile shine,  
'Cause she's sweet on me, Oh I'll make her see  
That she's mine, all mine.

So let's float float float away,  
And you'll catch me, baby.  
So I hope you know  
I'll never let you go away.

So I've been thinking that maybe, baby  
I've been going a little crazy lately.  
Yeah, what'cha gonna do?  
And, Chelsea baby, I can't get you out of my head.

So let's hangout in the clouds,  
Spill our hearts out and get down.  
I swear I'll drop a line,  
If you give me the time we need.

So let's float float float away,  
And you'll catch me, baby.  
So I hope you know

I'll never let you go away.

So I've been thinking that maybe, baby  
I've been going a little crazy lately.  
Yeah, what'cha gonna do?  
And, Chelsea baby, I can't get you out of my head.

Spinning upside down,  
Spill our hearts out and get down.  
Or inside out just 'cause you know that we get around.  
Oh, so I hope you know, I'll never let you go.

Oh woah.

So I've been thinking that maybe, baby  
I've been going a little crazy lately.  
Yeah, what'cha gonna do?  
And, Chelsea baby, I can't get you out of my head.

(And you'll catch me, and you'll catch me.)

So let's float float float away,  
And you'll catch catch me, baby.  
Spinning upside down,  
Spill our hearts out and get down.
