I'm not your average girl
Living in your ordinary world
I'm made in hollywood jew side
Is it coming down
Let it stop and drive a life
But he don't understand
This girl she got her own demands
I know just what i want
Let your mum and dad
It's just a man life
You seem so so sincere
Spitting lies all over my ear
Thinking i don't know the score
You can mess with her
But i want more
I need a new boyfriend
Someone who appreciates
All the things that make me so great
Oh Oh
I need a new boyfriend
Treats me like a superstar
Always gets a smile on my face
Oh Oh

I promise you a thing
You'll never let me down again
Just watch me walk a mile
Tell him baby yeah
Lighten up the sky
You got what you deserved
Tell me now baby
Does it hurt
I'm tired of playing around
Never know what you got until it's gone
I thought that it was clear
Now no-one had to feel
Wish it was all a dream
Don't mess with her
But now with me
I need a new boyfriend
Someone who appreciates

All the things that make me so great
Oh Oh
I need a new boyfriend
Treats me like a superstar
Always gets a smile on my face
Oh Oh
I could choose any boy
A skater, punk or cowboy
Maybe one with certain charm
Could of formed the 3 1 0
Paris, france to tokyo
To think you were the only one
Yeah
Na na na na na
Na na na na na
Yeah
Na na na na na
Oh Oh Na
I need a new boyfriend
Someone who appreciates
All the things that make me so great
So great
Oh Oh
I need a new boyfriend
Treats me like a superstar
Always gets a smile on my face
Oh Oh
I hope i get him
