Merry christmas to you baby, my love
Hope you like the channel bag and your louis vuitton's
I know you said gucci thangs but I got you...
Plus the mercedes cl, something sitting out front,
Yeah, yeah, I know you love me, yeah you love me right
So I'ma tell you what I want from you tonight
All I need is your lap dance, I need your lap dance,
I need your lap dance, whoa

I don't want nothing for christmas
As long as right here with you
I don't want nothing for christmas
As long as I'm right here with you

And now we rocking the rap, the christmas tree
I said we rocking the rap, the christmas tree
And yeah we rocking the rap, the christmas tree
And now we rocking the rap, the christmas tree
And tell her I don't want nothing for christmas
As long as right here with you
I don't want nothing for christmas
As long as I'm right here with you

All I want, all I want, all I want for christmas
Is your cute face to throw me a couple kisses
And all I want is to see me seeing you deep in your
eyes
Be my prize, girl give me your love no nicki minaj
Cause I wanna stop, santa please, bring her the
distance...
And just wrap her up, roll down, so I can open up on
christmas
Frosty, the snowman, I keep your... on froze
Now you the brightest thing shining next to rudolf's
nose

It's got on my christmas stocking, so we can get it
popping
Putting on you more baby, we gonna do it, gonna stop
it
... diamond ring and necklace, you deserve it

something... good boy
Come on home, come on home

Yeah, yeah, I know you love me, yeah you love me right
So I'ma tell you what I want from you tonight
All I need is your lap dance, I need your lap dance,
I need your lap dance, whoa

I don't want nothing for christmas
As long as right here with you
I don't want nothing for christmas
As long as I'm right here with you

And now we rocking the rap, the christmas tree
I said we rocking the rap, the christmas tree
And yeah we rocking the rap, the christmas tree
And now we rocking the rap, the christmas tree
And tell her I don't want nothing for christmas
As long as right here with you
I don't want nothing for christmas
As long as I'm right here with you

It's christmas, all over the world tonight, yeah
It's christmas, all over the world,
... scream... are you listening?
In these streets know it's christmas
A beautiful sight, happy tonight
Walking in the winter wonderland
... scream... are you listening?
In these streets know it's christmas
A beautiful sight, happy tonight
Walking in the winter wonderland

Have yourself a merry little christmas
Let your heart be light
From now on all troubles breaking out outside
Have yourself a merry little christmas
Sip some...
